Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 19 11:22

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I depend on this medication  
which is compounded for me. Without it  
I am not able to function normally.  
I cannot get this medication elsewhere.  
I strongly oppose ~~to~~ your definition of  
"inordinate amount" it would truly be  
a crime to deny me access to medication my  
doctor has prescribed for my health + well being -
